BOSCH

4-tier Security System | Highest level of security assured by world renowned brands

Puteri Cove protects our homeowners, residents and their dearest with a comprehensive 4-tier security system that powers the external areas such as the gated entrances of the recreational decks, lift lobbies, lifts and resident carparks. The surveillance technology will be powered by trusted European Brand, BOSCH Security System, which is renowned for the highest standard of security technology worldwide.

24-hour Surveillance | You Sleep, We Don't

As they say, a picture is worth a thousand words – and CCTV cameras capture what happens. Puteri Cove has more than 300 CCTV cameras. With CCTV cameras installed at every floor, all visitors will be under 24-hour monitoring surveillance by our security team.

PUTERI COVE - Highly Secured Singapore Grade Security Living Environment

Nepalese Guards | Hand-Picked by Management & Professionally Trained

Our team of security guides are Nepalese and hand-picked personally by Puteri Cove's management and Security Manager. They have undergone professional training, from guarding, patrolling, registering guests, visitors, contractors, fire and theft prevention, evacuation of premises, managing onsite misconduct as well as the handling of unexpected incidents and situations.

They are dedicated and uphold Puteri Cove's commitment in fostering a highly secured living environment.

Dedicated Concierge | Ready at Your Service

With dedicated concierge services at the respective residential lobbies, our friendly Ambassadors will be welcoming you and your guests, and are ready at your service.

PUTERI COVE - Highly Secured Singapore Grade Security Living Environment

Only Residents allowed | The card to peace of mind

To further reassure the secured environment at Puteri Cove, more than 50 areas are installed with electronic access card systems which only allows entry by residents into areas such as carparks, lift lobbies, lift, common areas and recreational decks. In addition, the electronic access card system in the lift will only allow residents to access the floor to their own homes.

Digital Revolution | Keyless Entry

Keyless entry, when high-tech meets security. Now you do not have to worry about misplacing your keys ! All units in Puteri Cove are installed with SAMSUNG's digital door lock on the main door. Only you hold the unique passcode to your home.

Panic Buttons | Don't' Panic

As a complete security enhancement, 35 panic buttons are installed in the car park, with ample panic buttons at every car park level. Though it is unlikely this will be needed, a top security system never leaves anything to chance.
